Dear Jimmie Mesis:

I am writing to let you know that in a few days you will receive a call from a representative of the United States Department of Labor (DOL) asking you to participate in the Occupational Information Network (O*NET) Program. You have been identified as an expert for Private Detectives and Investigators.

O*NET is the nation's primary source of occupational data and is continually updated through a survey of businesses and occupational experts. For more information, please visit <https://www.dol.gov/agencies/eta/onet/faqs>.

The O*NET Program serves millions of users each year including employers, human resource professionals, veterans, educators, and job seekers. We need your participation to keep this critical occupational information current (<https://www.onetcenter.org/overview.html>).

We look forward to talking with you soon and answering any questions you may have. Thank you for your time and consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ian Page".
